WARNING

- Do not place any objects in the path of the blades
- If unusual oscillating movement is observed* immediately stop using the ceiling fan and contact the manufacturer, its service agent or suitably qualified persons
- AAA 1.5V X2 batteries are used;
- Remove the battery cover to put in or take out the battery;
- non-rechargeable batteries are not to be recharged;
- different types of batteries or new and used batteries are not to be mixed;
- batteries are to be inserted with the correct polarity;
- exhausted batteries are to be removed from the appliance and safely disposed of;
- if the appliance is to be stored unused for a long period, the batteries should be removed;
- the supply terminals are not to be short-circuited.

MAINTAINANCE

- Once yearly clean your fan periodically to its new appearance
- Use only lukewarm water, do not use detergent, corrosive or acidic solution
- Damp the cloth lightly
- Use only soft or lint-free cloth to clean the fan, rough cloth will scratch the surface
- There is no need to oil the fan
- Use a soft cloth moisten with mild soap to clean the blade, and then use a dry cloth to wipe it again
