LEDVANCE NFC LED Drivers

Programmable Constant Current Dimmable Compact, Linear and Outdoor Type

Field-Programmable, Near-Field Communication (NFC) LED Drivers. This family covers linear, compact, and outdoor drivers. These drivers are available in the industry's most desirable wattages. Our programming software can be downloaded in seconds on any smartphone. The programming is easy and simple to follow.

Applications

Compact

Pendants
Home and décor
Spotlights
Downlights

Linear

Wall and ceiling
Surface-mounted
Suspended
luminaires
Recessed

Outdoor

Area lights
Industrial highbays
Wall packs
Décor landscape
Cobraheads
Bollards
Hazardous locations

Benefits and Features

- Field-programmable via free app
- Programming does not require driver to be powered up
- Quick and easy output customization:
 - Current
 - Dim to off – dim range %
 - Constant lumen output
 - Soft start
 - End of life
 - Thermal protection
- Compact: 25W and 40W both F-can and J-can housing style
- Linear: 36W, 55W and 88W
- Outdoor: 100W and 180W

Warranty

- 5-year
- NLB Trusted Warranty Program

Unique selling points

- Field-programmable – your installers will thank you
- Near-field communication interface
- LEDVANCE's own tapTronic software
- Large programmable range from each driver, ideal when consolidating your on-hand inventory from in-house or in a service truck. Customize their output in seconds

Product Ratings

- Compliant to 47 CFR, Part 15 Class A
- cUL class P
- UL Class 2 output for safety (Compact/Linear)
- RoHS
- FCC
- TAA (Linear only)
