

# PANEL COMPACT TP(A)

The Panel Compact 600 TP(a) is a premium LED panel designed for modern office and commercial environments. Featuring a TP(a) rated diffuser, it ensures enhanced fire safety compliance while delivering up to 120 lm/W efficiency. With selectable CCT options (3000K & 4000K) and a UGR<19 or UGR<22 version, it provides comfortable and glare-free illumination. The easy Plug & Upgrade system supports flexible wiring and driver options, making it a future-ready lighting solution.
