LEDVANCE ARGENTINA Purchasing Conditions(International Supplier)

1. Order and Order Confirmation

- (1) The following purchasing conditions shall apply to our Orders. Any general terms and conditions imposed by the contractor shall be binding on us only insofar as they are compatible with our terms and conditions or we have expressly indicated our agreement in writing.
- (2) Acceptance of the contract shall be confirmed immediately - no later than 14 days after receipt of our order - by returning the copy of our order form duly signed.
- (3) We may revoke the order if we have not received confirmation within the specified period.
- (4) If the conditions set out in the contract confirmation form differ from our order, we shall be bound by the revised conditions only if we have indicated our agreement to the change(s) in writing. Acceptance of supplies or Services or payment for such supplies or Services does not constitute agreement.
- (5) The contractor is obliged to provide proof of origin, as defined by EG preferential agreements in the form of supplier declarations in accordance with EC Regulation 1207/ 2001 or in the form of movement certificates. If the goods do not have a certified origin, the words "Not original goods" must be included on the contract confirmation form and on the invoice. In this case, we have the right to revoke the order.
- (6) Amendments and additions to the order must be made by writing.
- (7) In the case of orders for materials or preparations covered by a material safety data sheet, the supplier must automatically provide this data sheet in accordance with EC Regulation 91/ 155 free of charge. The supplier must send a copy to the LEDVANCE purchasing department.

2. Prices

- (1) The prices quoted in our order and confirmed by the contractor shall be considered as fixed prices.

(2) Any change in the price, either up or down, as a result of changes affecting the execution of the work must be notified to us immediately and require our written agreement before the goods are shipped.

3. Payment

(1) On receipt of all the goods or on completion of the work we shall settle the invoice on which our order number shall be quoted, on the 1st working day of the month following the agreed Payment Date.

(2) Payment on our part does not indicate our acceptance that supplies or Services have been made according to contract.

(3) We shall make payments only to the contractor. Assignment of a claim requires our prior written approval.

4. Date of Delivery

(1) The goods must have been supplied to our designated reception point by the specified deadline. This shall also apply analogously to Services rendered.

(2) Requests on the part of the contractor to extend the agreed deadlines must be made as soon as possible so that we can decide whether or not to honour the original order.

(3) Supplies over or above the contracted quantity or (part) supplies in advance of agreed deadlines require our prior approval. Any additional costs incurred shall be borne by the contractor.

5. Packaging

Unless otherwise indicated in the order, the costs of packaging shall be included in the prices. In the case of agreements with separate enforcement, packaging shall be invoiced at cost.

6. Shipment

(1) Shipment to our designated reception point is at the contractor's own risk.

(2) Unless otherwise agreed, the contractor shall bear all shipment costs so that the agreed prices are free delivered.

(3) If the prices are ex works or ex contractor's warehouse, or if we are paying freight charges, the shipments must be made at the lowest possible cost. If we have expressly specified a particular method of shipment, a particular freight forwarder and/ or a particular route, the contractor shall be responsible for ensuring that the specified shipment incurs the lowest possible costs.

(4) If we are paying freight charges, the freight forwarder must be notified that no insurance of the goods may be concluded.

(5) Postal packages and parcels must be submitted free of charges to us. For ex works prices the postage shall be charged to the goods.

7. Warranty

(1) The contractor shall guarantee his supplies and services according to the applicable laws and within the statutory warranty periods. Contrary to this, the warranty period for defects in title shall be 30 years.

(2) Defects which lead to the rejection of the goods/ services and all defects detected at the passing of the risk or during the warranty period shall be eliminated by the contractor at the contractor's cost, or the contractor, at the request of LEDVANCE Argentina, shall supply new goods/ services free from defects.

(3) If the contractor does not eliminate the defects or supply new goods/ services within a reasonable period to be set by LEDVANCE Argentina, then LEDVANCE Argentina is entitled to:

- withdraw entirely or in part from the contract with impunity,
- demand a price reduction,
- eliminate the defects it self, have them eliminated or arrange for new supplies, the costs to be borne in each case by the contractor, or
- claim damages for non- fulfilment of contractual obligations.

The same applies if the contractor declares himself unable to eliminate the defects or provide new goods/ services within the specified period.

(4) Complaints in respect of defects are considered to be made in good time if they are lodged within one month of the supply of the goods/ services or, if the defects are such that they do not come to light until the goods are further processed or used, within one month of their appearance.

(5) Claims of LEDVANCE Argentina under statutory provisions remain unaffected by the above remedies.

(6) The contractor shall bear the costs and risks relating to the return of defective goods.

(7) If a claim is filed against LEDVANCE Argentina based on statutory law in connection with supplied defective product, the supplier shall indemnify LEDVANCE if the damage is attributable to him.

8. Accident Prevention/ Environmental Protection Regulations

(1) The supplied goods and Services and also the production processes of the supplied goods must comply with statutory requirements, particularly with the law governing technical equipment (equipment safety law), the law on dangerous chemicals, other relevant Standards and other recognized practices and procedures. The requirements of the LEDVANCE index List Environment have to be fulfilled. The regulations of any international associations specified in the order must also be observed. The same applies to environmental protection regulations.

(2) Any necessary protective equipment must be provided and must be included in the price.

(3) Regulations governing the transport of dangerous goods must be observed. If the order indicates that the goods are to be forwarded by sea or air, the supplier must comply with all the regulations connected with these types of transport in respect of packaging and labelling.
